Create flashcards and/or a study guide that brings all of this information together for you to review. Use old Jeopardy games (they are still available) and test questions. Have people ask you questions, ask others questions, create quizzes for each other or whatever other strategies will help you to see if you know the information without looking.

We will hold Study Sessions. Details will follow.

In addition, to help you prepare for this test, please complete the following assignment:

HOMEWORK: PREPARE A TEST NOTE CARD

- You are to prepare one 3"x 5" note card with information on any of the topics that will be covered on this test. You may write any information down that will be helpful to you for the test.

- You may write on **one side**--you may write as small as you choose (but no magnifying glasses allowed!). Write down things that might be confusing to you.
- You may NOT use someone else's index card for the test.
- ***This is counted as a homework assignment. It will only be accepted on the day of the exam (no late work).***
